

Cascade Community Markets

2023 Sponsorship Benefits

Cascade Community Markets (CCM) is a Washington state nonprofit that **serves thousands of individuals in the greater Wenatchee Valley through our farmers markets in Leavenworth and Cashmere.**

We rely on the continued support from local sponsors and donors in order to sustain our markets. We offer a variety of ways to get involved including acting as a sponsor for one of our special programs or joining other local businesses and individuals to sponsor the general operation of our markets.

Our print and online announcements reach thousands of people across the valley, with the market drawing hundreds of people each week. Show the community that you care by sponsoring the markets. **Together, with your donation, we can create community and enhance the quality of life in the greater Wenatchee Valley.**
